# WALTHAMSTOW Shop Independent

Dear Walthamstow,

We have produced this guide to help you discover the brilliant range of independent shops in your area this Christmas.

When we shop in our community it supports our local economy, it's kinder to the planet and we keep our high streets vibrant and interesting. This year more than any other, independent shops need your help.

We hope that you enjoy using this map as much as we have enjoyed creating it.

Wishing you a Merry Christmas and Happy New Year.

Love  
The Every Space
